friends. The Faulds family are visit-  
ing friends and relatives in the east,  
where they have spent the winter  
months.

is well qualified to fill along with his  
duties as city clerk. Mrs. Munch and  
Master Phil are back in Kansas, visit-  
ing Mr. Munch's mother.

Jim Bent, the mine superintendent,  
has returned from the Magdalena  
mining district where he went last  
week on mining business. Jim is a  
past-master in the mining business.  
His services are always in demand  
at fancy prices.

Governor Kibbey has issued his  
Arbor Day proclamation, designating  
Friday, the 8th day of February, as  
provided by law, as a holiday for the  
people of Pima, Pinal, Santa Cruz,  
Yuma, Cochise, Graham, Maricopa  
and Gila counties.

Howard Evans, hoisting engineer  
at the Mormon Girl mine thirty miles  
from Phoenix, is a visitor in the city,  
the guest of his friend E. L. Bonnot.  
Mr. Evans is enjoying a well-earned  
vacation. He will return to the Mor-  
mon Girl next week.

Charley Taylor, the pioneer assayer,  
is again doing business at the old stand  
on Morley avenue, after an absence of  
a couple of months in Sonora, on min-  
ing business. During his absence  
William Strickland was in charge of  
Mr. Taylor's business.

Next week a number of our citizens  
will go to Guaymas to witness the big  
carnival, great preparations for which  
have been in progress several weeks  
by the residents of the bay city. Just  
now the climate at Guaymas is the  
finest found any place on earth.

Frank Reagan was here Sunday and  
Monday from Mowry where he is suc-  
cessfully engaged in business. The  
gentleman stands ready to bet dollars  
to doughnuts that work on the rail-  
road to that big camp will commence  
within two months. Here's hoping.

Hon. F. Mendez, ex-auditor of the  
state of Sonora, brother-in-law of  
Juan Arizmendez, manager of the  
International store, spent a couple of  
days in this city this week, from Her-  
mosillo. Mr. Mendez is father of  
Mrs. Captain Jose Oos, of this city.

A. M. Conard, president and general  
manager of the Sonora Copper Com-  
pany, is back from Kansas City where  
he went on an important business trip  
in the interest of his company which is  
operating large valuable copper mines  
near Llano. He is now at the mines.

Hon. A. C. Bernard, who looks  
after Colonel Bill Greene's legal busi-  
ness in the state of Sonora, was a  
visitor in Nogales Thursday, having  
come up from Sonora on the morning  
train. Mr. Bernard is also manager  
of the Greene Gold-Silver Company.

Miss Minnie McIntyre, the accom-  
plished daughter of Mr. and Mrs. P.  
J. McIntyre, is assistant engrossing  
and enrolling clerk in the legislative as-  
sembly. The VIDETTE hopes Miss Mc-  
Intyre will enjoy her sixty-days  
sojourn in Arizona's beautiful capital  
city.

Next Tuesday the annual stock  
holders' meeting of the Nogales Build-  
ing & Loan Association will be held at  
the office of Judge Williams, its at-  
torney, at 4 o'clock p. m., for the  
purpose of electing three members of  
the Board of Directors and such other  
business as may properly come before  
said meeting.

Mr. R. Zellner, Jr., member of the  
Zellner Piano Company of Los Ange-  
les, which he represents throughout  
Arizona and Sonora, arrived in Nogales  
Wednesday night from Tucson, to  
look after his large and constantly  
growing business. Mr. Zellner is one  
of the best known and most highly  
respected traveling men on the road;  
his pianos can be found in hundreds  
of homes in Arizona and Sonora.

Embroidery lessons, stamping and  
orders for embroidery work taken.  
Mrs. Bessie Lee Scoville, corner of  
Crawford street and Terrace avenue.

Thursday morning two husky miners  
created considerable excitement on  
Morley avenue, by engaging in a rough-  
and-tumble fight. Sheriff Saxon with  
Deputy Holland and a dozen citizens,  
after considerable effort, succeeded in  
pulling the men apart, loaded them  
onto a wagon and hauled them to jail.

Monday Trainmaster W. C. Budge  
of the Sonora railway, was here from  
Guaymas on official business. Mr.  
Budge is one of Arizona's veteran  
railroad men. He is well and favor-  
ably known all over the territory,  
especially in Phoenix, where he and  
Mrs. Budge resided many years, dur-  
ing the time he was passenger con-  
ductor on the road between Maricopa  
and the capital city.

W. E. Defty, the consulting mining  
engineer, and manager of the Juarez  
Gold Mining Company, and Eugene  
Snyder and Robert MacKinnon, of  
Utica, New York, officers of the Ju-  
arez company, have arrived here from  
the mines in the Altar district, Sono-  
ra, where they have been a couple of  
months. The gentlemen are en route  
to Phoenix to attend the annual meet-  
ing of the company's stockholders.

John Henderson, the mine manager,  
writes from El Oro, the property of  
Compañia Minera Porvenir de Sonora,  
S. A., that every thing is about ready  
to start up the big mill and cyanide  
plant, the installation of new machin-  
ery being pushed with all possible  
speed. Manager Henderson is on the  
ground personally superintending the  
work. The Coast Line Copper Com-  
pany owns Compañia Minera Porvenir  
de Sonora.

Joe Faymonville, the fire insurance  
agent, who looks after the clerical end  
of the American Clothing Company's  
business, has returned from San Fran-  
cisco, where he accompanied the re-  
mains of Roy Faymonville, his young  
nephew who died recently at Hermos-  
illo from typhoid fever. In San Fran-  
cisco and Los Angeles, Mr. Faymon-  
ville was royally entertained by old  
friends, whose kindness will not soon  
be forgotten.

Mr. John Calahan returned home  
Wednesday night from Beaumont,  
Texas, his old home, where he went a  
month ago with Mrs. Calahan and Miss  
Golding. John says his trip was one  
continuous round of pleasure, unalloyed.  
Mrs. Calahan and Golding re-  
mained with Mr. Calahan's parents  
in the season, when they will be accom-  
panied by Mr. Calahan's father, who  
comes for a visit.

Mr. M. E. Hopwood's many friends  
here and along the line of the Sonora  
railroad, will be sorry to learn that he  
has resigned the position of passenger  
conductor. Mr. Hopwood is interested  
in a large gold placer property in the  
state of Sonora which will now receive  
his personal attention. At present he  
is out on the line of the Cananea, Ya-  
qui River & Pacific railroad enjoying a  
well-earned rest, and incidentally sup-  
plying his friends with feathered game,  
which are very plentiful in that section.

Messrs Sam Barkley and John  
Beck, two of the best known horsemen  
in the territory, have been in the city  
all week with a bunch of handsome,  
fine bred horses, which they brought  
down from Tucson to sell to local  
lovers of prize-winners. One of the  
bunch a handsome black mare took  
first prize at the Territorial Fair, hav-  
ing been ridden by Mr. Barkley's  
11 year-old daughter. The price asked  
for her is only \$600. The animal is  
certainly a beauty and we hope  
she'll stay in Nogales.

G. B. Gillette, the well known pas-  
senger conductor of the Sonora rail-  
way, after a short visit in Kentucky,  
with friends and relatives, arrived in  
Nogales Tuesday night from Louis-  
ville, with his wife and their six-  
months' old baby girl, and will spend  
the summer here. Just as soon as Mr.  
Gillette can get the wife and baby  
comfortably located he will resume his  
run on the south end. He is an ex-  
perienced railroader whose friends are  
numerous throughout the south and  
southwest. THE VIDETTE is glad to  
see him back.

Julius Kunde whose fine ranch is  
located in the foot-hills of the Hua-  
chuca mountains, this county, was a  
business visitor at the county seat  
Wednesday of this week, departing  
for home Thursday morning. The  
gentleman said ranch and stock con-  
ditions for the year 1907, never look-  
ed better, and 1907 bids fair to be a  
record breaker. In the care of the  
ranch and cattle, Mr. Kunde is ably  
assisted by his small boys, who are  
quite expert in handling a rope and  
branding iron.

Mr. S. D. Brough, the pioneer pros-  
pector and miner of Patagonia, who  
a couple of months ago sold a number  
of splendid mining prospects situated  
in this county, near the Mansfield  
mines, came down from Patagonia  
Wednesday night and spent Thursday  
and yesterday in town transacting  
business. Mr. Brough, who is more  
than seventy years of age, has retired  
from the interesting, sometimes excit-  
ing business of mining, and with his  
two faithful burros, is now living  
quietly at Patagonia, where he has a  
pleasant home.

It is said that O. K. Franklin has  
sold his interest in the Montezuma  
bar.

Mr. William McKibben, the cap-  
italist who is largely interested in the  
Ohio-Mexican Mining Company, of  
which John Henderson of this place is  
general manager, is a visitor here  
from Pasadena, California.

C. R. Brown, formerly of this  
place, now of Los Angeles, where he  
and his family reside, has been spend-  
ing a week here on business. Charley,  
who was bookkeeper for the Nogales  
Copper Company, now the Black  
Mountain Mining Company, says this  
section looks good to him and he may  
decide to return here at no distant  
date.

Amos Yaeger, manager of the Zim-  
bana Development Company, returned  
Thursday night from Los Angeles,  
and continued on south to the mines  
near Alamos, Sonora. President W.  
S. Craz, who accompanied Mr. Yaeger  
to Los Angeles, remained in that city  
for a short visit with his family; soon  
he too will return to the big silver  
bonanza.

The many friends of James S. Red-  
doch, formerly of this city, will be  
pleased to learn that recently he was  
promoted to the important position of  
Superintendent of the railway division  
between Monterrey and Tampico, in  
Mexico. Mr. Reddoch is a brother of  
County Treasurer Arcus, Engineer  
Joe Reddoch, and Mrs. Lulu Wood-  
Reddoch of Nogales. The gentleman  
is a thorough railroad man, having  
climbed from the lowest round of the  
ladder to his present high position.  
THE VIDETTE extends hearty con-  
gratulations.

Henry Levin, of Brady-Levin Com-  
mission Company, was a very busy  
man Thursday directing the delivery  
on American soil of fifteen carloads of  
two and three-year old steers purchas-  
ed from Proto Bros. and Antonio  
Martinez, for California buyers. The  
contract called for 1000 steers, but  
owing to recent rain storms, high  
water, etc., the cowboys were unable  
to round up and deliver about half  
that amount for Thursday's shipment.  
Another will be made later. The cat-  
tle were in fairly good condition, and  
were shipped to southern California  
pastures.

Wednesday John S. Hurst, accom-  
panied by Hon. J. O. McKnight, a  
mining promoter, formerly of Okla-  
homa, now interested in mining in the  
Magdalena district, Sonora, came up  
from Magdalena, where they make  
their headquarters. The gentlemen  
have become interested in a copper  
property which they have every reason  
to believe will develop into something  
very large. Mr. McKnight is a lawyer  
of large practical experience and Mr.  
Hurst is an experienced mining man.  
Certainly this combination ought to  
"get the money." THE VIDETTE wishes  
them abundant success.

Wednesday morning Mr. and Mrs.  
A. W. Wood, Mrs. Frank N. Cox, and  
Mrs. W. E. Barnum, and Master  
Willis Barnum, arrived from Cerro  
Prieto, the big gold camp of the Black  
Mountain Mining Company. Mr.  
Wood, who is in charge of the com-  
pany's pumps and pipes, is well known  
here, having for a long time been  
electrician at the Nogales Electric  
Light, Ice and Water Company's  
plant. Mrs. Cox is the wife of  
Superintendent Cox, and Mrs. Barnum  
the wife of Mr. Barnum, the cyanide  
man, the well known ex-Pullman con-  
ductor. On account of the high  
waters in the Magdalena work at the  
Cerro Prieto has been somewhat re-  
tarded recently, but when Mr. Wood  
left camp the mill-120 stamps-was  
running at its fullest capacity.

Mr. G. G. Graham, the veteran  
popular railway station agent at Mag-  
dalena, Sonora, Mexico, for the Sono-  
ra railroad company, is back from a  
three months' pleasure trip to dear  
old Kentucky, the land of blue grass,  
beautiful woman and fine horses.  
George, who, by-the-way, is a great  
lover of all field sports, says he en-  
joyed a number of hunting trips with old  
friends, all of whom are great wing-  
shots. Mrs. Graham, who accompan-  
ied him east, remained at Louisville,  
where in future the Grahams will  
make their home. Their many friends  
here in Sonora, will be pleased to  
learn that Mr. and Mrs. Graham are  
enjoying splendid health. Thursday  
night George left for Magdalena to  
resume his duties as agent at that  
place. While here he entertained his  
friends with a number of good stories,  
they never heard.

The American Clothing Company,  
L. B. Fleischer, president and general  
manager, is rapidly becoming one of  
the most important manufacturing  
industries in the state of Sonora. More  
than a score of ladies and young girls  
are constantly employed making shirts  
and overalls, the quality and manu-  
facture of which cannot be excelled in  
the republic of Mexico, and Manager  
Fleischer says that he can sell his  
product twenty-five per cent cheaper  
than any firm in the republic. Man-  
ager Fleischer is making arrangements  
to install a large quilt factory, which  
will cover a half acre of ground adjoin-  
ing the company's shirt and overall  
factory on Arizpe street, Nogales So-  
nora, which already supplies many of  
the big mining camps in the state  
with high-grade goods, at prices never  
before heard of.

### NO MORE GAMBLING.

Governor Kibbey Signed the Anti-  
Gambling Bill Thursday.

Phoenix, Ariz., Jan. 31.—The fate  
of gambling in the Territory of Ari-  
zona was signed and sealed this after-  
noon when Governor Kibbey signed  
the measure passed by both branches  
of the Territorial Legislature, repeal-  
ing the license clause in the Territorial  
statutes, making it a felony to gamble  
within the corporate limits of the  
Territory after March 31. Following  
ringing of its death knell in the Ter-  
ritorial Council by a vote of 10 to 2,  
the Assembly today went the Council  
several better by unanimously adopt-  
ing the anti-gambling measure. The  
lobbyists from the ranks of the  
gamblers who made a futile effort to  
keep the measure from passing the  
Assembly, were more than chagrined  
when it was unanimously passed.

On few occasions has the applause  
that followed the announcement of  
the vote been equalled in either house  
of the legislature. Ten minutes later  
Governor Kibbey's office became the  
center for many visitors, all of whom  
congratulated him on his efforts in  
behalf of the movement to suppress  
gambling, and were in turn congrat-  
ulated for the small or large part each  
has done.

"Within a minute after this bill is  
in my hands," said Governor Kibbey,  
"it will have my signature. I am  
proud of what our legislature has done,  
and congratulate it upon the fact that  
the first bill, the passage of which  
marks a new era in Arizona."

### J. L. SHEPARD FREE.

Governor Kibbey Denies Extradition to  
Ohio Officer.

At the conclusion late yesterday  
afternoon of the hearing of the ap-  
plication for extradition of J. L. Shepard,  
the Sonora mining man arrested several  
days ago, upon a warrant issued in the  
state of Ohio, extradition was denied  
by Governor Kibbey.

The case has attracted widespread  
attention, says Tuesday's Arizona De-  
mocrat, owing to the prominence of  
Shepard who is well known in this  
valley and in other parts of Arizona.  
He has been mining in Sonora for the  
past two or three years.

As has been mentioned he was  
arrested in Nogales last week on a  
charge of obtaining money under false  
pretenses, the warrant being telegraphed  
here from the state of Ohio.

Following his arrest Shepard came  
to this city in the custody of Sheriff  
Saxon of Santa Cruz county, to appear  
before Judge Doan and make applica-  
tion for a writ of habeas corpus. The  
writ was ordered to be issued but was  
never heard owing to an agreement  
between counsel for Shepard and Dis-  
trict Attorney Bullard to continue the  
matter until the arrival of Sheriff O.  
D. Homer, the agent of the state of  
Ohio, who arrived Sunday night armed  
with extradition papers as has been  
stated.

The matter was presented yesterday  
(Monday) and Attorney General Clark  
was present while Shepard was repre-  
sented by Tom Fitch, A. C. Baker  
and Sam Pattee. The extradition was  
denied on the ground that the war-  
rant was defective.

Shepard will return to Ohio of his  
own accord in a few days it is stated,  
and will there push the criminal pro-  
ceedings instituted by him against the  
other stockholders of the Realito com-  
pany and who were responsible for his  
arrest.

The habeas corpus proceedings will  
be dismissed now that Shepard is free.

### ARBOR DAY PROCLAMATION.

By the Governor of Arizona.

To the people of Yuma, Maricopa,  
Pinal, Pima, Santa Cruz, Cochise,  
Graham and Gila counties, Arizona:  
It is provided by statute of this Ter-  
ritory that the Friday following the  
first day of February in each year shall  
be known as Arbor Day in the above  
named counties, and shall be observed  
as holiday.

Now, therefore, by virtue and in ac-  
cordance with direction of that statute,  
I, Joseph H. Kibbey, governor of  
Arizona, hereby proclaim Friday, the  
8th day of February, A. D. 1907, desig-  
nated as Arbor Day, to be in the  
counties first above mentioned a holi-  
day; and I recommend that this day be  
observed by the people of those counties  
by the planting of trees, shrubs and  
vines, in the promotion of forest and  
orchard growth and culture, by the  
adornment of public and private  
grounds, places and ways, and by such  
other efforts and undertakings as shall  
be in harmony with the character of  
the day so established—all in accordance  
with the provisions of Title IV, Arbor-  
culture, Revised Statutes of Arizona,  
1901.

In witness whereof, I have hereunto  
set my hand and caused the great seal  
of the Territory to be affixed. Done at  
Phoenix, the capital, this 25th day of  
January, 1907.

(Seal) JOSEPH H. KIBBEY, Governor.

By the governor:  
W. F. NICHOLS,  
Secretary of the Territory of Arizona.

Henry Cohen of the Monte Carlo,  
will leave tonight for Sonora, where  
he goes to spend a couple of weeks  
with his brother Barney, at Hermos-  
illo. His partner, Ben Goldsmith,  
will be in charge of the Monte Carlo  
while he is away.
